

A DJ, DJ CHI, is performing at a rave. He is wearing a bright red jacket and glasses, and is making a hand gesture. In the background, there are other people, including a woman with red hair and a woman with blue face paint. The scene is dimly lit with stage lights.

Funky house with hypnotic vocals. Over 30 years behind the decks, from Stammheim in Kassel to the stage of the Staatstheater.

For over 30 years DJ CHI has moved dance floors with funky, groovy house and hypnotic vocals. It started early, with breakdance, EDM, acid house and trance, until house became his home.

A native of **Kassel**, he sharpened his groove in residencies such as the legendary **Stammheim** and carried it far beyond the city: Love Parade, Nature One and Time Warp, and clubs like Tresor, U60311, Distillery and Kater, in Berlin, Cologne, Hamburg, Munich and Frankfurt.

His current release, the **“Your Love EP” on Jackfruit Traxx**, delivers 90s-style house with a hypnotic vocal, polished by a remix from Nils Ohrmann. Earlier releases on My Favorite Freaks Music and Jackfruit Recordings were made with M.in and Dompe and earned recognition from artists such as Claptone.

Today he is a resident at the Muuuhnight Festival and at the Familienfeier events at Graf Karl, and in 2026 he played as the live DJ of **“RAVE” at the Staatstheater Kassel**. The Stammheim era lives on in a documentary and in Jasmin Moll’s novel “Wir waren Schall und Rauch” (2025).

TECHNICAL · 2x Pioneer CDJ (min. 2000 Nexus), 1x Pioneer DJ mixer, monitor system.

Technical requirements for a clean, punchy set — standard Pioneer setup, quick to get running in any club.

01 / PLAYER

2× Pioneer CDJ

CDJ-2000NXS2 or newer (CDJ-3000). Linked via LAN for rekordbox / USB.

02 / MIXER

1× Pioneer DJM

Pioneer DJM mixer — DJM-900NXS2 or comparable.

03 / MONITORING

Monitor system

Professional booth / monitor system with separate level control — clear and punchy at the DJ desk.

04 / PA & SOUND

PA system

A professional PA appropriate for the venue. Properly tuned, no clipping.

In short: 2× Pioneer CDJ (min. 2000NXS2) + 1× Pioneer DJM mixer + monitor system. Played from USB / rekordbox. Questions about the setup — just get in touch.
